

Behaviour / anti bullying policy and Procedure

Co-ordinator – Natalie Walton & teresa Quinn

Principles

The staff in Extra Time will present good role models of relationships, where adults respect children and vice versa. We do not shout or raise our voices, we distract and explain, promoting learning opportunities in any situation.

We will always observe children's behaviour and act upon any unusual behaviour, working alongside the Prevent duty 2015 (updated April 2021)

We will achieve this by:

- Praising and encouraging positive behaviour and give an explanation why.
- Encourage children to play with others positively.
- Ensure that the agreements that have been made by the children and staff are understood and continue to provide these boundaries clearly and consistently.
- Promote positive self-esteem through an atmosphere of mutual respect and encouragement and value each other's differences.
- Working towards a democracy, where we all make decisions together, children and staff alike
- Rules of Law (children understand that there are consequences to behaviour and rules are in place to protect people)
- Help children to learn positive ways of handling inappropriate behaviour in their peers.
- Work alongside other agencies.
- **Never using corporal punishment.**

Parents will:

- Communicate with staff regularly, sharing concerns about their child's behaviour, either at home or in school.
- Respect our behaviour policy.
- Work in partnership with all of the staff to promote positive behaviour.
- Be respectful to all of the children, families, staff and visitors and raise any issues and concerns in an appropriate manner.

Physical intervention.

Will only be used to manage a child's behaviour if it is necessary to prevent personal injury to the child, other children or an adult, to prevent serious damage to property, or in what would be regarded as exceptional circumstances. Any occasion where physical intervention is used will be recorded and parents will be informed on the same day.

If inappropriate behaviour carries on in the sessions, then:

- Verbal discussions will take place with staff and parents.
- Letters will be sent home.
- Exclusion. This would be at the discretion of the management, and only when all avenues have been exhausted, including help from any outside agencies. This would be for safety and consideration for both children and staff attending the setting.

Anti-Bullying Policy

Our club is committed to providing an environment for children that is welcoming and free from bullying. Bullying in any form is unacceptable in our club, whether the offender is a child or an adult. The victim is never responsible for being the target of bullying.

Everyone involved in the club including staff, children and parent/carers, will be made aware of the club's stance towards bullying. Such behaviour will not be tolerated or excused under any circumstances.

The club defines bullying as the repeated harassment of others through emotional, physical, verbal or psychological abuse. Examples of such behaviour are as follows:

Emotional: Being deliberately unkind, shunning or excluding another person from a group or tormenting them. For example, forcing another person to be 'left out' of a game or activity, passing notes about others or making fun of another person.

Physical: Pushing, scratching, spitting, kicking, hitting, biting, taking or damaging belongings, tripping up, punching or using any other sort of violence against another person.

Verbal: Name-calling, put-downs, ridiculing or using words to attack, threaten or insult. For example, spreading rumours or making fun of another person's appearance.

Psychological: Behavior likely to instill a sense of fear or anxiety in another person.

Preventing Bullying Behaviour

Mandy Grosse and the staff will make every effort to create a tolerant and caring environment in the club, where bullying behaviour is not acceptable. Staff will discuss the issues surrounding bullying openly, including why bullying behaviour will not be tolerated and what the consequences of bullying behaviour will be.

Dealing with Bullying Behaviour

Despite all efforts to prevent it, bullying behaviour is likely to occur on occasion and the club recognise this fact. In the event of such incidents, the following principles will govern the club's response:

- All incidents of bullying will be addressed thoroughly and sensitively.
- Children will be encouraged to immediately report any incident of bullying that they witness. They will be reassured that what they say will be taken seriously and handled carefully.
- Staff has a duty to inform the person in charge of the session if they witness an incident of bullying involving children or adults at the club.
- If a child or a member of staff tells someone that they are being bullied, they will be given the time to explain what has happened and reassured that they were right to tell the staff member.
- The individual who has been the victim of bullying will be helped and supported by the staff team. They will be kept under close supervision and staff will check on their welfare regularly.
- In most cases, bullying behaviour can be addressed according to the strategies set out in the Behaviour policy. The bully will be encouraged to discuss their behaviour and think through the consequences of their actions. Where appropriate, they will be encouraged to talk through the incident with the other person concerned.
- Where bullying behaviour persists, more serious actions may have to be taken.
- A member of staff will inform the parents/carers of all the children involved in a bullying incident at the earliest possible opportunity. If appropriate, staff will facilitate a meeting between the relevant parents/carers. At all times, staff will handle such incidents with care and sensitivity.
- All incidents of bullying will be reported to Mandy Grosse and will be recorded in the Incident Record Book. In the light of reported incidents, Mandy Grosse and other relevant staff will review the club's procedures in respect of bullying.

Aggressive behaviour

Extra time does not tolerate from any person, whether staff, parent, carers or visitors: any bullying; aggressive, confrontational or threatening behaviour; or behaviour intended to result in conflict. Our club is a place of safety and security for the children who attend and for the staff who work here

Unacceptable Behaviour

Unacceptable behaviour includes, but is not limited to, the following:

- Shouting at members of staff, whether in person or on the telephone
- Physically intimidating a member of staff, EG standing too close or blocking their exit, etc...
- Using aggressive or abusive hand gestures, eg shaking a fist towards another person
- Any other threatening behaviour, both physical and verbal.
- Swearing
- Physical violence: pushing, hitting, slapping, punching or kicking.
- Spitting
- Racist or sexist or otherwise abusive comments.

At Extra Time we do not tolerate such behaviour whether it is directed at the children in our care or at any member of staff.

Procedure

If a parent, carers or member of the public behaves in an unacceptable way towards a member of staff or a child attending the Club, we will take the following steps:

- In order to ensure the safety of the children and to limit possible distress, we will remove them from the vicinity of the incident.
- The owner, Manager or deputy will seek to resolve the situation through calm discussion.
- If the individual wishes to make a complaint we will encourage them to follow the clubs complaints procedures, or to complain directly to Ofsted if they so wish.
- If the individual continues to behave in an aggressive or intimidating manner, we will insist that they try to calm down or leave the premises immediately.
- If the individual refuses to calm down or leave the premises, the police will be contacted without delay.

When the immediate incident has been resolved, the owner and staff will reflect on the incident, and decide whether it is appropriate to ban the individual from

the premises for a period of time. The decision will take into account both the seriousness of the incident and whether the individual has behaved aggressively before.

If we decide that a ban is appropriate, we will write to the individual concerned to inform them of the reasons for the ban and its duration.
