Involving Parents and Carers Policy

At Extra Time we recognise the importance of working in partnership with parents and carers to ensure that every child is happy, healthy and safe whilst in our care.

We therefore aim to keep parents and carers fully informed of policies, events and activities at the Club, by sharing information with them, answering questions and addressing any concerns, and by encouraging them to participate in the life of the Club.

We do our best to keep parents informed about the Club by:

- Inviting parents to visit the Club before their children start.
- Giving/emailing all parents a copy of our **Parent Pack** which outlines how the club operates and includes contact details. We also give parents a copy of our **Behaviour Management** policy.
- Making all of our policies available at the Club and on the schools website for parents to consult whenever they like.
- Notifying the parents of their child's key worker if they need one, when they start at the Club (within the first couple of months) .
- Producing a regular newsletter to keep parents up to date with news, events, new staff, changes to fees, etc
- Providing translations of our key policies and documents for parents who are non-English speakers, where possible.
- Parents notice board.
- Facebook page
- Schools website page
- As of September 2014, our out of school club no longer has to compliment the Early years foundation stage for the nursery and reception children, however we will still continue discussing children with teachers, parents and other adults where necessary so we do not miss out on any identifiable issues that may have been identified within observations.

We actively welcome parents and invite their input into the Club in the following ways:

- We collect information from parents which will help their child to settle at the club (via the **Registration** forms and, the **All About Me** booklet).
- We involve parents in settling their children in at the Club in accordance with our **Children Settling-in** policy).
- We consult fully with parents to establish the care requirements for children with additional needs, and explain how we will deliver our service to make sure their children will be cared for appropriately.

- We greet all parents when they arrive to collect their children, and exchange any relevant information (eg any accidents, participation in today's activities, etc).
- We can be contacted at all times, even out of Club hours, via another telephone number in emergencies and email (see our **Parent Pack** for contact information).
- We conduct a satisfaction survey of parents and children at the Club to gain regular feedback.
- We encourage parents to volunteer, share specialist skills/knowledge, help on outings, etc.
- All of our staff wear name badges / Teeshirts so that parents can easily identify them.
- We always seek and obtain parental permission for outings, (even though, the new welfare requirements (September 2014) state we do not have to have written permission any more) we also seek parental permission to take photographs, applying sun cream, etc.
- We can arrange for parental discussions with staff outside of Club hours if necessary.
- We respect parents' input and opinions by responding promptly and appropriately to any complaints, in line with our **Complaints** policy.
