

Extra Time Out of School Club

Missing Child Procedure

At Extra Time, our staff, are always alert to the possibility that children can go missing during sessions. To minimise the risk of this happening staff will carry out periodic head counts, particularly when escorting children between locations (e.g.: walking from the classrooms to the Club).

BREAKFAST CLUB

Children accompanied to the toilets by a staff member, if at an appropriate age (KS2 children do NOT get accompanied, unless there are a lot of visitors), we do regular head counts, and put a time scale on a child visiting the toilet, then checking up if they haven't come back.

PICKING UP FROM SCHOOL

If a child cannot be located on collecting from class, the following steps will be taken:

- staff will ask the class teacher if the child has been in school, or go to the office if the teacher is not in their class.
- All staff will be informed that the child is missing.
- Staff will conduct a thorough search of the premises and surrounding area, maintaining supervision of other children.
- After the search, a member of staff will have already established if the child attended school that day, or gone home sick and will then contact the child's parents or carer.
- Staff will continue to search for the child whilst the above information is being sought.
- We will maintain as normal a routine as possible for the rest of the children at the Club.
- The manager / deputy will liaise with the child's parent or carer and if they cannot be contacted, and the where-about cannot be sought from a teacher/ member of staff from the office in school, the police will be called.

FIRE DRILLS

We have a fire drill once a term, and these are held at different times of the day. If during an afternoon session especially, when children are sometimes attending a sports activity in school first then come to us afterwards, parents are asked to inform the out of school club, if they pick up their child from the sports they have to let us know... if not, we will ask the parents to cancel their child out of either the childcare or sport activity, due to it taking a lot of time to do a lost child check on missing children.

IF ON A TRIP

Whilst out of the play setting on trips, children are given / helped to put on a wristband which has clubs telephone number on it, and an explanation as to what to do if they get lost. Head counts are taken regularly, to ensure we do not lose any children. We take a photograph of each child on the morning of the trip day, as evidence of what the child is wearing and looks like if they were to get lost whilst we were out and about. We are aware, that children can wander off if they see anything that catches their eye, if this does happen the staff will do the following:

- All staff will be informed that the child is missing.

- Staff will conduct a thorough search of the premises and surrounding area.
- We will maintain as normal a routine as possible for the rest of the children and keep them together whilst other staff members are looking for the lost child.
- A staff member will contact a supervisor of the area we are visiting to establish if we can get a message to security staff etc.
- The Owner will be contacted if not already on the trip.
- The person in charge of the outing will liaise with the child's parent or carer and if they cannot be found in the immediate area, the police will be called.
- If the time comes where the visit comes to an end, the remaining children and staff will continue to return home, via transport, a staff member will be left at the venue, where the parents / carer will meet them there, to continue with the search.

Any incident will be recorded in the **Incident Book**. A review will be conducted regarding this and any other related incidents along with relevant policies and procedures. We will identify and implement any changes as necessary.

If the police or Social Care were involved in the incident, we will also inform Ofsted.
